1. RM & FCA authorized off-site hours for 1900-55, invoices, and ordering services/supplies. Please provide 1900-55 electronically to OSC for review when off-site. 1900-55 can be compiled in date ranges when verbally authorized by OSC.
2. T&D Coordinator authorized Off-Site hours to finalize T&D Award and support T&D shipments.
3. Finalize permit process with City of Niagara Falls Codes Enforcement Office.
4. Start bid process for carpenter, electrician, and plumber (DBA Rates).
5. Secure site for holiday break. Rearrange fencing around staging areas in Areas 1 & 5 as per OSC direction.
6. Investigate rental on a rock crusher for soil samples as discussed.
7. Demobe any other equipment that won't be used through January and February 2017.
8. Plan for remobilization on 01/04/2017 (travel day 01/03/2017)
9. Individual crew members may work different positions within a work day depending on need (For example an operator could work as a carpenter one day).

OSC needs to be notified when off-site hours worked & for what specific task. Extended work hours authorized as needed by the OSC and will be listed in next DWO.	
I certify that the above work is ordered and authorized by the contractor in the performance of the above cited delivery order.	I acknowledge receipt of this work order
